

2017 Endowment Fund Snapshot

In 2012, the Women's Fund Endowment was created to support our mission and to offer members a vehicle to make larger or longer-term gifts, such as appreciated assets, bequests or memorials. (More details about the Endowment Fund are on our website.)

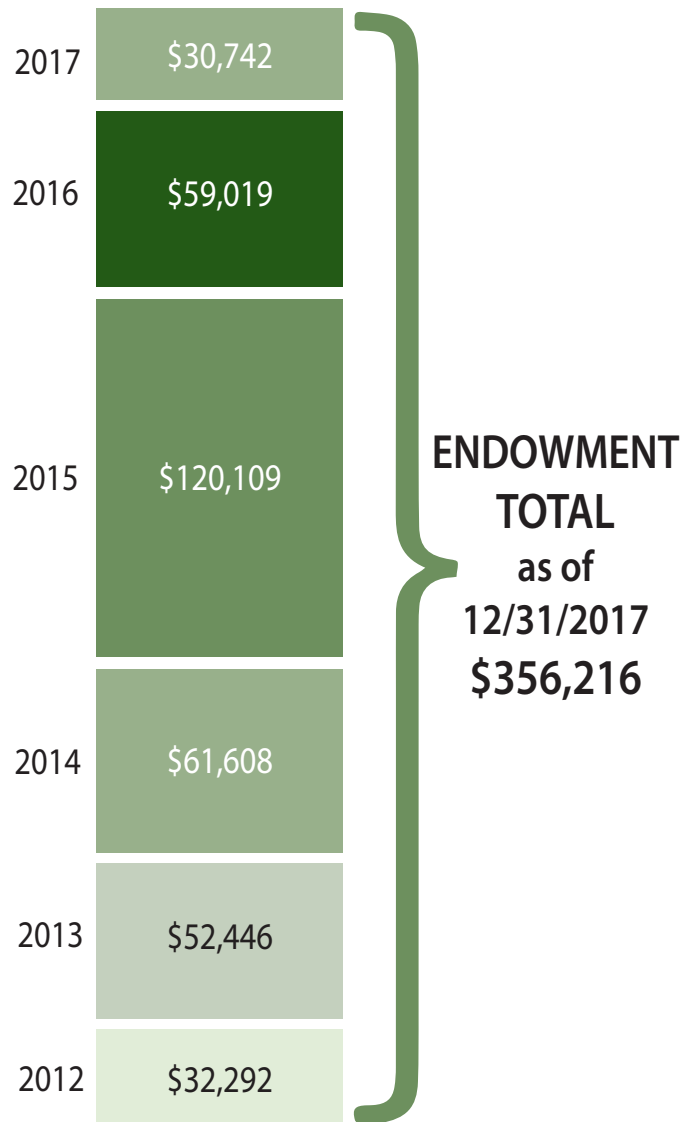

2017 REVIEW

- The fund has grown \$30,742 in 2017 to a year-end balance of \$356,216.
- In 2017 there was a change in investment managers. We anticipate a significant reduction in fees due to this change.
