WHAT IS THE WOMEN’S FUND?

OUR MISSION

The Women’s Fund of Santa Barbara is a volunteer-led collective donor organization that enables women to combine our charitable dollars into significant grants addressing the critical needs of women, children, and families in south Santa Barbara County.

The Women’s Fund educates and inspires women to engage in making lasting change in our community.

HOW WE WORK

Each year we:

- COMBINE donations into grants pool
- RESEARCH potential grantees
- VOTE on nonprofits to fund
- CELEBRATE new grantees
- LEARN about community issues

COVER ART DONATED BY ELLEN WALTON

“This painting is part of my Women for Women series. These women are strong leaders who are trying to develop a better life for their families and their communities. They are moving together, going forward as one.”

All proceeds from Ellen’s art sales go to charities helping women help themselves. See her work at ellenwalton.com.

All women are welcome to join.
MAKING AN IMPACT

RESILIENCY. PARTNERSHIP. COLLABORATION.

These words came to life this past year as the nonprofits in our community stretched their resources and found creative ways to deal with the impact of increasing job losses, food insecurity, homelessness, and isolation among our neighbors.

The nonprofits serving our community are dealing with two realities: more need for their services, more obstacles to provide those services. And they stepped up. Big time. The Women’s Fund was proud to help.

Here are just a few examples of local agencies we’ve supported over the years who overcame new challenges to help our neighbors overcome theirs.

- Doubling food distributions while meeting CDC requirements was no small trick for the Foodbank of Santa Barbara County, which added two new temporary warehouses and engaged nearly 1,700 new volunteers to meet the need.

- Thanks to their client relationships nurtured over time, Doctors Without Walls added COVID testing and vaccines to their arsenal of medical support for our homeless population.

- To ensure the well-being of isolated, low-income seniors, Family Service Agency initiated a collaborative of 10 nonprofits, providing food, medications, and other essentials to more than 1,200 seniors.

But “numbers served” tells only part of the story. What impact do our grants have on people—on the clients served by the 100+ programs we’ve supported over the years? Are we really making a difference in people’s lives?

The personal stories on the following pages demonstrate—more than any numbers—how we’re changing lives together.

“Despite a pandemic and an economic crisis, our 2020 members generously created the largest grants pool in our history—$750,000 awarded to local nonprofits this spring—proving once again the power of women joining together to help our neighbors.”

— Lynn Karlson, Board Chair
“David” is a smart guy who entered high school with serious problems at home—a mother mired in substance abuse and an abusive father who could not accept his gay son. Caring for his mother, avoiding his father, and struggling with his own identity, David had no confidence and, by his own admission, was unlikely to make it through school.

Enter the Academy for Success, a local high school program that provides academic and emotional support for students who identify themselves as not likely to make it to graduation. “The Academy changed my life,” said David—who not only graduated, he went on to earn a college degree in psychotherapy and is working on his master’s.

“I want to focus my work on under-represented populations, especially Latino families.” Starting at home, David helped his mom into a treatment program and has established a relationship with his father.

272 Academy for Success students have graduated since 2008. The program has a 98% graduation rate.

A $60,000 Women’s Fund grant in 2016 funded mental health services and helped the Academy expand to all three Santa Barbara high schools.

“Sandra and Dan” are essential workers in the foodservice industry. As a result of COVID-19, both had their hours cut, and they did not have resources to maintain their housing. They had never been homeless before but ended up at Transition House with their three young children.

They continued to struggle. Exposed to COVID-19 on three occasions, Sandra was out of work—without pay—for two weeks each time. Dan juggled three jobs as his hours constantly changed due to shut-downs and the economy.

Fortunately, Transition House gave them safe shelter and the time needed to manage their unpredictable work schedules and reduced income. They continued to work and save money, while their children attended Transition House’s free onsite distance learning program.

Sandra and Dan were grateful for the help and eventually moved into one of Transition House’s affordable housing units. They hope to move back to an apartment in the community when schools reopen, the economy improves, and their incomes stabilize.

Since 1984, Transition House has provided safe shelter and an array of anti-poverty programs for homeless families from the Santa Barbara area. The Women’s Fund has given multiple grants totaling $180,000 to support Transition House programs.

“Jimmy” is one of many children who have benefitted from the compassionate care of CALM. Placed with foster parents at birth, Jimmy was five years old when they determined they could no longer care for him. His anger and sadness became intense with the sense of rejection.

Thankfully, CALM staff was there to help him transition to a new foster family. Through therapy, Jimmy learned how to effectively express his feelings, and his new foster parents, open to new ideas and interventions, opened their hearts to their new foster son.

Jimmy blossomed, the family bonded, and soon Jimmy joined his new family permanently. At the adoption ceremony, they all wore matching shirts—the family’s last name printed proudly on the front. The back of Jimmy’s shirt summed up their feelings perfectly: “CHOSEN.”

For 50 years, CALM has worked to prevent childhood trauma and to heal children and families. Since 2007, the Women’s Fund has provided multiple grants totaling more than $150,000 to support CALM’s programs.

The Women’s Fund Endowment was established in 2012 to guarantee our future and sustain our mission.

How does it work? Donations are pooled and subject to investment strategies under the scrutiny of financial professionals. Once a designated amount is achieved and stable, we will have the ability to take distributions from the earnings. Basically, donations now for income later.

The benefits are clear. The Women’s Fund gains a reliable revenue source for years to come, and for you, a bequest is a pledge to our mission. It represents a mutual commitment to our community.

An endowment contribution provides opportunities for you to make impactful gifts. It gives you and your family a way to honor and memorialize friends and loved ones. Check with your tax advisor on the advantages of making endowment lifetime gifts and bequests.

Every gift to the endowment, whether large or small, can be a legacy you leave to the Women’s Fund and your community.

Please consider the Women’s Fund Endowment in your plans. Contact endowment@womensfunds.org for more information.

**GRANTS DISTRIBUTION 2017-2021**

In 2021, nearly 1,100 women awarded $750,000 in local grants (see page 5) marking the largest grants pool in Women’s Fund history.

It’s been a steady rise in recent years and a long way from the $140,000 in grants awarded to two local nonprofit agencies when the Women’s Fund began in 2004.
THANK YOU TO OUR SUPPORTERS

While donations from our members create our annual grants pool, generous supporters like these help offset our expenses for educational programs and operations.

“I love that women together are the leaders, the donors, and the decision makers.”
— Stina Hans, member since 2005

The Women’s Fund of Santa Barbara welcomes all women to become members. It’s easy!

You make a tax-deductible* donation and join as a Group Member, an Individual Member, or both.

Your donation can be made online with a credit card or by sending a personal check, foundation or Donor Advised Fund check, IRA distribution, or stock transfer. Instructions are on the website under the “Join/Renew” tab.

• **Join as a Group Member** with a suggested minimum donation of $275. Each group reviews the ballot of potential grants and votes together to select specific projects. For every $2,750 donated annually, the group receives one vote.

• **Join as an Individual Member** with a donation of $2,750 or more annually. Each Individual Member casts her own vote after reviewing the ballot of potential grants.

Women who join or renew by December 31 are eligible to vote in the following spring when we select our new grantees.

Questions? membership@womensfundsb.org

*To the full extent of the law.
Word-of-mouth is how the Women’s Fund grows. No fundraising events. No membership drives. We simply “pass it on.”

We pass on our belief in the power and impact of collective giving: More than $8.6 million in grants awarded since 2004

We pass on what we learn about our community’s needs: 100,000+ neighbors helped through 100+ programs

We pass on our connections with other amazing women: 67 members in 2004 to 1,100 members in 2020

Keep passing it on:

• Share this brochure with a friend or family member.
• Share the link to our website—and to the electronic version of this brochure on our home page.
• Like and share our posts on social media.
• Invite your friends to attend our educational events.

Your Membership Committee is here to help. Do you want to start or expand a group? Do you know someone who wants to join a group but needs help finding the perfect one for her? We are ready to help you pass it on.

Contact us at: membership@womensfundsb.org

“I love that my donation is combined with others to have a bigger impact in the community than I could have on my own.”

— Lauren Trujillo, 2021 Membership Chair
